

Referral Partner Scheme

Fancy earning £200, £1000 or more?

Well now you can!

All you need to do is simply refer a friend or pass the details of a live vacancy. If we manage to successfully place the candidate or fill the vacancy you will earn a referral fee of £200 to spend as you like or donate to charity.

There is no limit to the amount you can earn through our Referral Scheme, therefore if you refer five successful friends you could earn a cool £1,000 or refer 25 and earn £5,000.

Referring is easy, just contact us with details of the candidate or the vacancy and we'll do the rest.

Alternatively, you can get the candidate or company to contact us directly but make sure they mention your name and contact details as a referral so you can get paid.

So why not help a friend or family member find that new job or help a company find a new fantastic new member of staff today?
